## Property Description

### What is Lorem Ipsum?

Lorem Ipsum is simply dummy text of the printing and typesetting industry. It is the standard dummy text ever since the 1500s, when an unknown printer set a type specimen book. It has survived not only five centuries, but also remains essentially unchanged. It was popularised in the 1960s by the Letraset team, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

### Why do we use it?

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout. The point of using Lorem Ipsum is that it has a more-or-less normal distribution of letters, making it look like readable text. This dummy text has since become the industry standard for editors now use Lorem Ipsum as their default model text, and it is still in their infancy. Various versions have evolved over the years, some more humorous (injected humour and the like).

### Where does it come from?

Contrary to popular belief, Lorem Ipsum is not simply random text. It is recycled text from the 1500s, and it is still in use today.
